How to Decode a Huffy Serial Number. Jan 12, 2014 I was looking up a bunch of Huffy bicycles I own and found a couple that had the serial numbers: c82224 26564 (2016) and c82224 26565 (2017). I can't find any documentation on these Huffy bikes. Where can I find information on these Huffy serial numbers? A: Huffy was not the only bike manufacturer in the 1980s and 1990s to have the first two digits of a serial number for an individual bicycle after 1980 being 2, 8, 0, 3, 6 and 4. Those bikes, though, are all still in production and sell today, but were discontinued by all but a few manufacturers back in the 1990s. 1978 Huffy Sportster Giant 1986 Huffy Sportster Giant
