alemea df76b833ed Olofsson, Lawrence. (1990). The Rise of Atlantis. The Rise of Atlantis Volume 1,. (Original edn. Cambridge, Mass.: The MIT Press, ). On February 20, 2008, in, a news story appeared in the Ghanaian newspaper "The Daily Graphic" that hinted the following about Atlantis in Libya. It also quoted, in part, from what was previously posted on a Web site: The article also appeared in the February 21, 2008 issue of the New York Daily News (On the right-hand side of the article is a small link to the actual Web page on which the article appeared) and on the website of the Columbia University paper, The Index: However, that portion of the article that was quoted is not available on the Columbia University server anymore. The remainder of the article, especially those parts not sourced, is available as part of the print version of the article, which can be found in the February 21, 2008 issue of the New York Daily News. This article also appeared in part, with a web URL, in the February 22, 2008 issue of The Daily Caller (2008 article is no longer available). Also on February 21, 2008, on the PBS website, the following article appeared about the Lost City of Atlantis; the article may be read in full at. On February 21, 2008, in, a news story appeared in the Ghanaian newspaper "The Daily Graphic" that hinted the following about Atlantis in Libya : The article also appeared in the February 21, 2008 issue of the New York Daily News (On the right-hand side of the article is a small link to the actual Web page on which the article appeared) and on the website of the Columbia University paper, The Index: However, that portion of the article that was quoted is not available on the Columbia University server anymore.
